- 4) Once we validate your information is correct your registration will be confirmed.

* Not available to ASO Groups

Employers

Our enrollment and benefit administration solutions allow for the efficient enrollment of your associates. We enroll clients using a variety of methods including paper and electronic group enrollments, as well as a live call center staffed with benefit professionals. We are also currently developing a fully customized and technologically advanced on-line enrollment and billing system.

Our expert enrollment staff members are experienced insurance professionals and will be able to satisfy employee needs during the

Ascent Benefits Company tailors its benefits to fit your company's specific size and budget whether you've got three, three hundred, or three thousand employees. You'll get more dentists, less paperwork, and fewer hassles.

Online Enrollment Registration

Ascent Benefits Company wants to give employers all the tools they need to effectively and efficiently manage dental benefits for their employees. Our Employer Connection gives you the ability to modify to employee information at the click of a mouse 24hrs a day. Administrators have the ability to:

- Review information about your employees Ascent benefits and eligibility
- View and print billing invoices
- Add, terminate or modify your enrollees through Ascent's online enrollment maintenance applications. Generate reports summarizing changes for selected periods, and full eligibility rolls
- Add and maintain user access to specific information about you group account
- And much more...

I want to use the Employer Connection, how do I register?
